AMAZING NIGHTLIFE

Whether it's a party night or a break from the usual big city nightlife, Brooke Smith offers a variety of higher key and lower key of entertainment. Kick back with jukebox tunes at D&T Drive Inn, a beer garden with carefully selected craft brews or Little Woodrow's Heights, known for their extensive and tasty selection of tap and daily specials.

The White Oak Music Hall and Raven Tower are nearby if you feel like live music, and Edison & Patton offers a hip destination for some high quality food with your drinks.

GREENSPACE GALORE

The area is big on park space, to say the least. Montie Beach Park is the well-maintained neighborhood park for Brooke Smith. It has a water playground and lots of multi-use green space, plus a tennis court, sports field, and connectivity to hike and bike trails. Also available are the Woodland and Moody Parks and all the parks maintained by the Houston Heights Association.

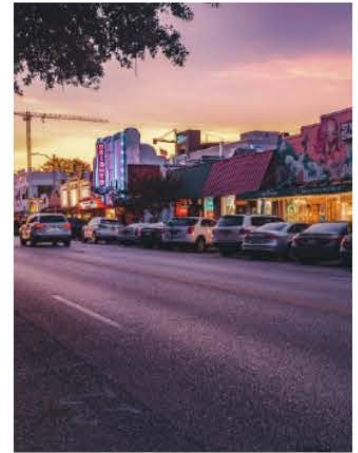

A small trail along Little White Oak Bayou parallels I-45 and links local neighborhoods to the Heights and on-street lanes along Cavalcade.

LIVE ENTERTAINMENT

If you're looking for live entertainment in the Heights, Gavanna Nightclub, The Color Factory, Puppies For Breakfast, Zero Latency VR Houston, Heights Theater, and White Oak Music Hall (okay, White Oak is technically just east of the Heights) are some popular places to stop by. All host talents both big and small, local and nationally tour acts.

Gavanna offers an intimate club vibe, while White Oak's five-acre indoor/outdoor venue features three stages. For something a little more unique, Bobbin'doctrin Puppet Theater is amazing.

19TH STREET

Enjoy proximity to the vibrant 19th Street in the Heights. Save on gas and hit everything at once on 19th Street. Lined with tons of boutiques, artsy stores, restaurants and thrift shops, you can find almost everything. Try some Chinese food at The Rice Box, get some vintage records at Vinal Edge, catch a movie at the historic Heights Theater, or celebrate the successes of local vocal group The Ink Spots.

Be sure to look out for special events from White Linen Night and Third Thursdays Sip & Socials.

MUSEUMS & GALLERIES

The museum district is packed with exhibits and galleries that are worth visiting time and time again. But if you're looking for some smaller, niche museums, the Houston Heights and immediate surrounding areas have a variety of great options. Houston is widely-known for its eccentric, annual Art Car Parade.

Admire the diversity and talent of small local artists who call the Sawyer Yards home. With spaces located on Silver Street, Spring Street, Summer Street, and Winter Street, you can walk in and roam the corridors to see (and maybe even buy) the work on display.

WHITE OAK MUSIC HALL

White Oak Music Hall, "WOMH," is a multi-venue, live music complex centrally located two miles north of downtown Houston (it's on the outskirts of the Heights... don't worry). WOMH hosts over 400 live music events per year, from a diverse array of musical acts and genres, including rock, country, hip-hop, R&B, and more.

The Lawn stage regularly hosts big name concerts each weekend like The Lumineers, The Flaming Lips, Shovels & Rope, and Okkervil River. With sweeping views of downtown and the bayou below, the outdoor stage is the perfect place to catch a show.

RAVEN TOWER

The Raven Tower is the perfect sidekick to one of Houston's hottest hot spots for live music. The ice house features an expansive picnic table patio with corn hole equipment and TVs for viewing all the big games.

Most iconic, however, is the tower build itself. The teal high-rise 70s-era bachelor pad was completely renovated to accommodate overflow and private events. Definitely make a point to travel up the tower's spiral staircase for one of the best views of Houston. The fully-furnished patio upstairs is the perfect place to hang out.

SPORT & STADIUMS

Heights House is in one of the best locations for some sports fun. We are located just a few miles north of Central Downtown Houston, which hosts the Toyota Center, Minute Maid Park, and BBVA Stadium.

Since opening in October 2003, Toyota Center has set a new standard for sports and entertainment, becoming one of the premier live entertainment venues in the nation. Laid over the span of six blocks, it is home to the NBA's Houston Rockets. Toyota Center also plays host to the nation's top concerts and touring shows. You'd never regret this moment.
